4. CHAIRMAN'S ADDRESS

Through a pre-recorded video, Sun Life Prosperity Funds Chairman, Mr. Benedicto C. Sison, welcomed the stockholders to the Sun Life Prosperity Funds' annual meeting.

In his welcome message, Mr. Sison began by stating that the holding of a virtual shareholders meeting is a first for the Company. He recounted highlights of the year 2019, which was marked with significant milestones. Among these are the launch of the Sun Life Prosperity Achiever Funds, the Philippines' first ever target-dated mutual funds, and the introduction of a more affordable denomination of the Sun Life Prosperity Card.

Mr. Sison also shared the digital enhancements of the Company. In particular, SLAMCI Online, the Bills Payment facility, and the workplace savings plan called SUN RISE, proved to be very useful during the quarantine measures implemented earlier in the year. He noted that these digital tools allowed the Company to serve its investors' needs and provide much needed information and advice. In fact, as of end-of-June, the Company breached the mark of PhP94billion assets under management.

He also emphasized the Company's commitment to being a lifetime partner of its investors. It is through the investors' trust and support that the Company innovated, improved and excelled over the year. In turn, he proudly shared that the Company received recognitions from the industry such as the 12 awards for fund performance from the 2019 Philippine Investment Fund Association Awards. The Company in fact garnered the most honors for the balanced fund and the money market fund categories.

Most importantly, Mr. Sison highlighted the 20th year anniversary of the Company noting that at present, the Company is the largest non-bank asset management company in the Philippines managing 16 funds with the launch of the Sun Life World Equity Index Feeder Fund. This milestone is made even more special by the fact that Sun Life Philippines, SLAMCI's mother company, is also marking its 125th anniversary. As a way of giving back to the country, Mr. Sison shared the Company's response to the pandemic. He informed the shareholders that the Company provided medical supplies and protective equipment to hospitals, offered free life insurance

coverage to medical frontliners, and donated food and basic necessities to vulnerable families, among others.

Mr. Sison expressed his confidence that the country will overcome the pandemic. It is because of this confidence that the Company is already putting in place a plan to help Filipinos rise to a bright new world. He ended his message by thanking the investors for the honor of serving them, looking forward to more decades of a bright partnership.

12. QUESTIONS FROM THE STOCKHOLDERS

From the Question & Answer Function of the Zoom Webinar Application, the moderator chose the four most-asked questions. The first one was on the pandemic's effect on the Company's business operations and how the Company services its clients' needs during this time. Mr. Sison responded that the health and welfare of the employees and advisors remain top priority. Thus through technology, the Company's workforce was empowered to remain productive while staying at home. Ms. Valerie N. Pama, President of SLAMCI, added that clients are encouraged to transact through digital platforms. She shared that the Company also holds regular market updates to provide clients with guidance and information. With the relaxation of quarantine measures in certain areas, select client service centers were reopened to increase access to clients. Mr. Enriquez assured the shareholders that the Company's investments team is fully equipped to monitor and manage investments remotely.

The second question raised was, "How will the prolonged lockdown impact the financial performance of the company? How is your liquidity and balance sheet? Can it withstand a prolonged lockdown?" Ms. Esteban responded that SLAMCI, as the Fund Manager and distributor of the Sun Life Prosperity Funds, as well as Sun Life Philippines and its other affiliates, continues to maintain a healthy balance sheet coming from years of prudent management of its resources, and strong cash flows from our net income. This is evidenced by the fact that despite the pandemic, SLAMCI's Assets Under Management reached a record high of PhP96billion.

The next question was whether the Sun Life Prosperity Peso Starter Fund, Inc. is a new fund. Ms. Pama clarified that the Sun Life Prosperity Money Market Fund, Inc. was renamed to the Peso Starter Fund. Being the same fund, the investment objective is still to provide potentially higher returns than traditional bank deposit products.

Lastly, the fourth most-commonly asked question during the meeting was what would be the Company's investment advice to its clients given the current market volatilities. Mr. Enriquez responded to the question and advised clients to assess if their asset allocation still matches their

ability and capacity to take on the risk. He added that clients should revisit their investment portfolio to determine if the price movements are still within the level they are willing to take at this point. If clients' cash flow isn't affected by the crisis, he reminded them to stick to their investment plan and to invest regularly, if they can.

13. ADJOURNMENT

There being no other matter for discussion, upon motion duly made and seconded, the Joint Annual Stockholders' Meeting of the Sun Life Prosperity Funds was adjourned at 2:07 pm.
