3. CERTIFICATION OF QUORUM

The Secretary reported the attendance based on the Attendance Sheet as well as the proxies received before the meeting. The attendance is set forth in Annex "A" of the minutes.

4. CHAIRMAN'S ADDRESS

Through a pre-recorded video, Sun Life Prosperity Funds Chairman, Mr. Benedicto C. Sison, welcomed the stockholders to the Sun Life Prosperity Funds' annual meeting.

In his message, Mr. Sison recalled how 2020 was Sun Life Asset Management Company, Inc.'s (SLAMCI) 20th anniversary, but due to the pandemic, the planned celebrations for the said milestone had to be put on hold. Instead, the Company focused on delivering the best service possible notwithstanding the unusual circumstances brought about by the pandemic.

According to Mr. Sison, while 2020 presented various challenges, Sun Life's foresight in implementing the Online Payment Page, Auto-Invest Program, Bills Payment Program, SLAMCI Online, and Sun RISE Portal, paid off during the pandemic. He added that these digital capabilities were complemented with constant communications with clients through monthly webinars and regular newsletters shared via email. He also reported that with the recession experienced worldwide, the Company adopted a prudent risk management approach and financial discipline in running the business. Because of these, SLAMCI was able to grow the number of its investors to 170,000 and breached the Php127billion mark of assets under management representing an almost 60% year-on-year growth, which is double than the mutual fund industry growth rate.

Mr. Sison thereafter thanked Mr. Valerie N. Pama, the former president of SLAMCI, for her vision and guidance that paved the way for SLAMCI's stability and resilience. As Ms. Pama takes on another leadership role in Sun Life, Mr. Sison expressed confidence in her successor, Mr. Gerald Bautista. He shared that Mr. Bautista took over SLAMCI amid the pandemic while ensuring that investors are well taken care of.

Finally, Mr. Sison reiterated that Sun Life is anchored on its commitment to be its clients' partner to prosperity. According to him, this commitment is what will guide the organization to

transform with the time not only responding to the changes, but also anticipating them to provide financial solutions in a timely manner.

12. QUESTIONS FROM THE STOCKHOLDERS

From the Question & Answer Function of the Zoom Webinar Application, the moderator chose the four most-asked questions. The first one was how SLAMCI adjusted to the pandemic in terms of business operations. Mr. Sison responded that the pandemic did not change how the Company prioritizes its clients. As such, various learning sessions and regular market updates were provided during the year. Communication lines with advisors and relationship managers, including opening some Client Service Centers, were done to ensure that investors are always guided. Similarly, advisors and employees were also provided with monthly learning sessions. Mr. Sison added that various processes were improved as the Company embraced going digital. Mr. Gerald L. Bautista, SLAMCI President, chimed in and shared with the stockholders various digital touchpoints to be able to continue servicing the needs of the clients.

The moderator then directed the second question to Mr. Bautista and asked what the stockholders can expect from him as he takes over the mutual fund business of Sun Life. Mr. Bautista replied by first thanking Ms. Pama for the strong business foundation that she established.

Mr. Bautista shared that over the coming months, he intends to continue improving client experience by introducing new initiatives aimed at making investing simple and easy. SLAMCI will also launch new products to meet the growing needs of the investors.

The third question is whether the Company expects the exponential growth of the Peso Starter and Dollar Starter Funds to continue. Ms. Esteban took the question and replied that if the Bangko Sentral ng Pilipinas continue to maintain low rates, then the continued flows into the Starter Funds may be expected. She added that global equity funds such as the World Equity Index Feeder Fund and World Voyager Feeder Fund also reported healthy growth as developed markets recovered faster than the local markets.

Finally, the moderator directed the fourth question of "What investment advice can you give to us investors, given the market conditions?" to Mr. Enriquez. Mr. Enriquez responded that the best strategy is for clients to use Portfolio Diversification and Asset Allocation in their investments as this will reduce their risk. However, he cautioned investors that they should not forget to know their risk profile before investing and to ensure that they are able to tolerate the volatility of the portfolio they are investing in. He again invited the investors to join the Market Forum Outlook that will follow after the Annual Stockholders' Meeting whether Fund Manager of the Sun Life Prosperity Funds will discuss the market in more detail.

13. ADJOURNMENT

There being no other matter for discussion, upon motion duly made and seconded, the Joint Annual Stockholders' Meeting of the Sun Life Prosperity Funds was adjourned at 3:21 pm.
