current needs while also preparing families and communities for a better future through the following programs:

Health

- **Sun Life Barangay Health Stations** are beginning to operate in eight (8) municipalities in Batangas that are deficient in health services. The health stations provide preventive health services such as immunization programs, health and nutrition programs, promotion of sanitation and hygiene, etc. The health stations are also expected to provide family planning services, pre- and post-natal care as well as treatment for minor illnesses and accidents. Community health workers in the eight barangays are trained to provide basic health services and will soon man the operations in the health stations.
