questionnaire includes assessments on (1) performance as an individual director, (2) performance of the Board as a body, and (3) performance of each of the Committees to which the directors belong. The BEQ is sent to all members of the Board covering various facets of corporate including governance the responsibilities of the Board. independence, strategic planning, audit, risk management and skills and experience of individual directors. The results of the Board Effectiveness Ouestionnaire are collated by the external provider to ensure utmost confidentiality. Responses from individual directors are not disclosed and only the consolidated results are discussed and reported to the Board.

In December 2023, the Directors accomplished the Board Effectiveness Questionnaire (BEQ) and have evaluated themselves, the Board, and the Board-Level Committees. The results of the BEQ show that the Board has a strong composition in terms of competence and professionalism. The Board is very much engaged in monitoring regulatory compliance in Corporate Governance and the Board roles and accountabilities are well defined. There is a very good partnership and collaboration between the Board and Management and Management supports the Board

effectively. The Chairman exercises leadership to ensure the effectiveness of the Board. The results of the assessment were reported to the Board on March 25, 2024.

Recommendation 15.2			
1. The Board sets the tone and makes a stand against corrupt practices by adopting an anti-corruption policy and program in its Code of Business Conduct and Ethics.	Compliant	Identify or provide link/reference to the company's policies, programs and practices against corruption.	Not applicable
		The Company is committed to complying with the letter and spirit of anti-corruption and anti-bribery laws in the Philippines and in any country where it operates. The Company prohibits the direct or indirect use of bribery, kickbacks, payoffs, or other corrupt practices by employees, advisors, or	

other parties acting on behalf of the Company, especially in its business relationships including those with suppliers, clients and government representatives.

Generally, anti-corruption laws in the country where the Company operates prohibits offering, giving or accepting anything of value to a government official or another person to improperly influence a decision, assist the Company in doing business, or obtain an improper business advantage. Hence, it is a policy of the Company not to allow payments or transfers of anything of value to government officials or representatives unless it is for a legitimate or legal purpose and duly and with prior review and authorization.

Employees are expected to recognize and avoid the use of bribery and to report suspected and known incidents of bribery and corruption through the channels set out in the Company's Code of Conduct. The Company's business partners are also expected to conduct themselves lawfully and ethically, and to comply with applicable anti-bribery and anti-corruption laws.

The Company also has a gifts and entertainment policy, which disallows employees to receive and give gifts or entertainment unless it is within the

allowable amount and meets the conditions set under the policy.

Principle 16. ENCOURAGING SUSTAINABILITY AND SOCIAL RESPONSIBILITY				

The company should be socially responsible in all its dealings with the communities in which it operates. It should ensure that its interactions serve its environment and stakeholders in a positive and progressive manner that is fully supportive of its comprehensive and balanced development.

Recommendation 16.1

1. The company recognizes and places importance on the interdependence between business and society, and promotes a mutually beneficial relationship that allows the company to grow its business, while contributing to the advancement of the society where it operates.

Compliant

Provide information or reference to a document containing the company's community involvement and environment-related programs.

The Company operates in a sociallyresponsible way across the organization and seeks continuous innovative solutions to make better for its stakeholders including the community where it belongs. The Company acts through its subsidiary Sun Life Foundation for all its corporate social responsibility projects or activities. Moreover, the Company's communityrelated efforts are based on its sustainability commitment. As Sun Life's business continues to grow, it continues to contribute to nation-building and shareholder value through its engaged and empowered workforce, financial literacy advocacy embedded in the products and services offered to its clients and the public in general.

The Company actively supports the communities it is based as well as its branches and works by helping build a positive and healthy environment for our clients, employees, advisors and shareholders.

Our approach includes helping Filipinos improve their financial literacy, giving back to communities across the nation.

Not applicable

strategically investing in real estate and infrastructure that is friendly to the environment (LEED-certified building) and such other activities that foster healthy, sustainable communities, advocating for public policies that encourage financial security and healthy lifestyles.

Sun Life Foundation aims to harness our light to shine brighter together. From advocating for financial literacy for marginalized communities to promoting healthier lifestyles for Filipinos, Sun Life Foundation strives to illuminate pathways to hope, recovery, and renewal.

Financial Education

- Sun Pera-Aralan

Sun Pera-Aralan is a flagship financial management program, in partnership with AHA! Behavioral Design, that aims to increase financial self-efficacy among public school teachers. This involves

applying positive and practical money behaviors that can be incorporated in their daily lives. As of December 2023, Sun Life Foundation reached 71,917 public school teachers in 18 school division offices within NCR and CALABARZON. Now surpassing the halfway mark, the goal is to continue expanding these efforts towards financial literacy as we drive towards our aim to reach 130,000 teachers by 2025.

Health

 Sun Life Barangay Health Stations and Community-based Health and Wellness Programs

In partnership with Health Futures Inc. (HFI), the Sun Life Foundation is building barangay health stations (BHS) to provide more communities with access to primary health care. This was complemented by the implementation of the communitybased health and wellness program (CBHWP). In distant and less fortunate municipalities in the Philippines, primary health care remains to be inaccessible. With the construction of fully functional and equipped barangay health stations, these marginalized areas will have access to primary health care, thereby resulting in lower mortality rates and a healthier community. In 2023, Sun Life of Canada through Sun Life Foundation helped build diabetes corners in seven barangay health stations, to address the issue of rising cases of diabetes in the Philippines. In line with this, the "Diabetes Iwasan! Diabetes Pagaralan!" campaign was launched to kickstart the initiatives on diabetes awareness and prevention. Some activities included informational videos on diabetes awareness, free blood sugar testing and counseling, distribution of low glycemic brown rice, and more.

Education

- Scholarship Grants

Education is the key in empowering individuals towards achieving brighter futures and the Sun Life Foundation continues commitment to help Filipino students have better tomorrows through comprehensive scholarship grants. For 2023, the Sun Life Foundation allotted scholarships for deserving students both in the high school and college levels. 65 scholarship slots were made available for deserving college students across seven academic partner institutions namely: UP Diliman, UP Mindanao, UP Cebu, UP

Baños, Mindanao State Los University (Iligan Institute of Technology), and Father Saturnino Urios University (FSUU). The scholarship and financial subsidy were available for those who were enrolled in the fields of actuarial science (Mathematics, Statistics), business courses (Accountancy, Finance. Marketing. **Business** Administration), Information and Digital Technology (Computer Science, Information Technology), as well as Natural Sciences (Biology). The full scholarship program includes full scholarship benefits such as monthly allowance, book allowance, and tuition for FSUU scholars. Likewise, the Sun Life Foundation supported 125 students (from Junior High School to college) along with their families in Cebu in a bid to provide them with better access to quality education from secondary to tertiary education, and to increase the resilience to disasters of affected and vulnerable families in Cebu City, Alegria, Minglanilla, Medellin, and Daanbantayan. In collaboration with Children of Asia, the grant covers the school year 2022-2023 but shall be renewed annually until all 125 students graduate from college.

- Tulong Eskwela: Learning at the Right Level

Now in the fourth year of its implementation, the Tulong Eskwela: Learning at the Right Level project continues to build skills and confidence among school communities in their learning recovery journey. This was accomplished through the expansion reading and numeracy remediation support (Teaching at the Right Level), strengthening of supplementary programs in school communities for academic, socialemotional learning. Sun Life's volunteer community also helped empower school leaders through strategic capacity-building activities. This covered the School Division Offices (SDO) in Makati, Legazpi, and Sultan Kudarat. For four years, AHA! Learning Center and Sun Life Foundation have been helping schools in their learning recovery by engaging public school teachers as crucial drivers in supporting the students. The ongoing program at Comembo Elementary School in Makati continues to allow the Sun Life community to observe and immerse themselves, as the school teachers receive exclusive face-toface training sessions for the entire program. In addition, an urban garden and feeding program was

also launched in Comembo Elementary School. This resulted in improved attendance among target beneficiaries, and the children enjoying complete nutritious meals when they go to school.

- SHINE Giguimitan

The Sun Life Foundation, in cooperation with the Solar Village Foundation, will be implementing the Solarized Homes to Improve and Nurture Education (SHINE) project in the off-grid community of Brgy. Giguimitan in Silvina Lobos, Northern Samar. The project aims to donate 90 Solar Home Systems and will provide lighting for 90% of the households using good quality, reliable solar home systems. Through this initiative, students will be able to participate better in and classes other activities throughout the school year. In addition to helping kids improve performance. their scholastic households can extend their livelihood activities until evening to earn more. The project will benefit the entire 82-household village with a population of 450 and an estimated number of 130 learners.

Health

- Surgical Missions

In collaboration with World Surgical Foundation Philippines, Inc. (WSFP), the Sun Life Foundation donated a total of PHP1.5 million that will cover the cost of surgical supplies for and major surgeries, minor anesthesia, tubes, and other regulated medicines. This was implemented in Abra, Sorsogon, and Cagayan de Oro. The program accomplished 178 successful surgeries in Abra and Sorsogon, and 27 successful major surgeries in Cagayan de Oro, totaling to 2 05 direct beneficiaries of the project. Most of the beneficiaries of this project were children. With the success of their surgeries and recovery, they were now able to go back to school and continue with their learning and development. for adults Meanwhile. who underwent successful surgeries and recovered completely, they were able to go back to work with ease so they can continue providing for their families.

Enhanced Mingo Meals Nutrition Program

The Sun Life Foundation supported a nutrition program for 100 malnourished children from Brgy. Calumpang, Iloilo through its implementating partner, the NVC Foundation. The project's objective

is to lift kids from the early stages of malnutrition by providing nutritional support during early developmental years. Through this program, nutritionallyat-risk children are given Mingo Meals as a food supplement for one year. The kids are monitored for one year to track their progress in terms of height, weight, and other nutritional indicators. During quarterly assessments, their carers (mostly mothers) also benefit from child health and nutrition sessions. To date, 100 malnourished infants and toddlers aged six months to five years old, their families, and Barangay Health Workers have benefited from the program. The Barangay Health Workers are also incentivized when the children assigned to their care reach their health targets.

Project SUNBRIGHT

Project SUNBRIGHT explores community-based interventions to encourage exclusive breastfeeding and appropriate complementary feeding. The Sun Life Foundation, through its implementing partner, Save the Children, donated ₱1.5 million for the reduction of the prevalence rates of undernutrition (underweight, stunting and wasting) among infants and young children

ages zero to 23 months old and nutritionally-at risk pregnant and lactating women to one urban poor community in Muntinlupa. The project helped 216 pregnant women, 557 parents or guardians of children under the age of two, 53 health service providers, and 60 individuals from the support network. Other project successes include: the dispelling of myths and misconceptions on breastfeeding, drafting a policy that provides technical assistance for development of the F1KD Ordinance at the city level, and planning for sustainability as the Barangay Nutrition Committee will discuss the integration of Project SUNBRIGHT in their regular programs.

- Brighter Health & Wellness

collaboration with ASKI Foundation, the Sun Life Foundation is funding Brighter Health & Nurturing Wellness: Undernourished Students and Fostering Food Security. This provides school-based feeding, milk feeding and comprehensive health checkups; enhances health by providing hygiene kits and dental checkups; engages and teachers, parents, health

workers to form a supportive environment; and promotes sustainable practices through backyard gardening to equip families with skills to cultivate their own nutritious food. The project will help 64 kids from kindergarten to sixth grade in Red Cross Village Elementary School, located in Brgy. Joson, Carranglan, Nueva Ecija.

- Caring for Carers

The Sun Life Foundation will be giving a grant of PHP1.3 million to fund four training workshops, 10 monthly health and nutrition checkups for children, and six bi-monthly check-ups for mothers through a collaboration with Gota de Leche (La Proteccion dela Infancia). The project will help improve the health status of caregiver-mothers of Children with Disabilities (CWD) through self-care capacity building, mental health workshops, and nutrition support. This project aims to benefit 40 mothers and their families.

Project SUNRAY (Support to Nurture until Remission for Admirable Youth)

The Sun Life Foundation will give a grant of PHP1,000,000 to the Kythe Foundation to provide psychosocial

support and medical assistance to underprivileged children with cancer or other chronic illnesses through Kythe Child Life Services. The project has two components the Adopt-a-Patient program and the Kythe Summer Camp 2024. The Adopt-a-Patient program provide monthly assistance for necessary medical procedures, medicines and antibiotics. laboratory tests, and transportation to aid in the patient's recovery. Meanwhile, the Kythe Summer Camp 2024 aims to offer pediatric patients a break from their daily routine in hospital by the creating opportunities for them to establish friendships with children who are fighting the same battle. The year-round support will help 25 pediatric cancer patients.

- Brighter Health & Wellness

collaboration with **ASKI** Foundation, the Sun Life Foundation is funding Brighter Health & Wellness: Nurturing Undernourished Students and Fostering Food Security. This provides school-based feeding, milk feeding and comprehensive health checkups; enhances health by providing hygiene kits and dental

checkups; engages and teachers, parents, health workers to form a supportive environment; and promotes sustainable practices through backyard gardening to equip families with skills to cultivate their own nutritious food. The project will help 64 kids from kindergarten to sixth grade in Red Cross Village Elementary School, located in Brgy. Joson, Carranglan, Nueva Ecija.

Environment

- "Tulay sa Tibo" (Mangrove Boardwalk) and Beyond

Now on its third phase, the Mangrove Education: "Tulay sa Tibo" (Mangrove Boardwalk) and Beyond has paved the way for the development and integration of mangrove education materials in the formal curriculum of schools in Gubat, Sorsogon. By doing so, it informs and prepares the next generation about the importance of mangrove health and the proper way to care for and monitor these trees. The Sun Life Foundation will be adding PHP1,000,000 of funding to further the project's accomplishments. To date, the project has benefited 13 schools, 32 teachers, and an estimated 8,000

students. With the additional funding, the "Tulay sa Tibo" (Mangrove Boardwalk) and Beyond Project will benefit more individuals.	
- Food Shed Farming Enterprise The Food Shed Farming Enterprise aims to improve food resilience of families in Del Carmen, Siargao through the establishment of food sheds in the communities. These food sheds allow farmers to grow crops that have a different season from their usual crops, which increases their food security while waiting for harvest season. It also provides an alternative source of food and income in case of harsh weather conditions or unexpected disruptions. Communities could also use their produce from the food sheds as an alternative source of income. The food shed is a sustainable, climate-adaptive, and easily replicable technology that community members can build in a small space. To date, 250 individuals have benefited from sustainable livelihood brought about by the establishment of food sheds in two barangays (Halian and Caub), resulting in nearly 2,943 individuals gaining access to nutritious food.	
- Increasing Capacity of Calamianes Watersheds Towards Resilience	

In collaboration with the Forest Foundation, the Sun Life Foundation has helped in increasing the capacity of watersheds within the Calamianes Group of Islands (Busuanga, Coron, Culion and Linapacan), the so-called "Last ecological frontier in the Philippines". Through this project, the Sun Life Foundation provided equipment, gear, and documentary requirements for deputization for the local forest guards (Bantay Gubat). Theoretical and practical training for 3R (Recharge, Retention, Reuse) water technologies will also be provided for the Watershed Management Committee. Furthermore, this project conducted an awareness campaign through learning sessions and mural painting for the youth to learn about the importance of building resilient communities and watersheds for ecologically rich biodiversity and improved resources. The project is set to impact the lives of 60 Bantay Gubat, 45 trainees for 3R, and 60 youth

participants for awareness activities. More than 18,000 individuals from the local area benefited from the project.

Volunteerism

Brigada Eskwela

Spearheaded by the Department of Education (DepEd), Brigada Eskwela is an annual initiative that aims to embody the Filipino value of bayanihan, calling on different sectors of society to volunteer and help public schools prepare for the opening of classes. To support this nationwide initiative, the Sun Life Foundation chose the San Juan City **Technical-Vocational** ivelihood Senior High School as its main beneficiary. In 2022, a fire broke out in one of the school buildings, engulfing the entire top floor. As a result, the school needed to have a shifting schedule to accommodate all classes and students. Students also had to use the classrooms in their neighboring school. To motivate and lift the spirit of the community, the Sun Life Foundation helped in preparing one of their remaining buildings for the school year. 49 volunteers worked together to paint five classrooms. Additionally, Sun Life turned over 600 back-to-school kits for the students. As part of their support for Brigada Eskwela, The Sun Life Foundation also gathered 58 volunteers to repaint 2 classrooms in Pandac Elementary School, Iloilo, and 57 volunteers to repaint 6 classrooms in Pahanocoy Baybay

Elementary School, Bacolod. These initiatives impacted the lives of 126 beneficiaries in Iloilo and 240 beneficiaries in Bacolod.

- Tree Planting

Since 2018, the Sun Life Foundation Bantay Kalikasan, environmental stewardship arm of ABS-CBN Foundation, have been partnering to conduct tree planting activities in order to preserve the last watershed in Metro Manila. In 2023, there were 129 volunteers from the Sun Life Foundation who worked together with the ABS-CBN Foundation to plant 800 seedlings in the La Mesa Nature Reserve. By planting trees, we're creating a lifetime gift for future generations safer, greener communities around La Mesa Nature Reserve. This initiative also creates jobs and income opportunities for local workers.

- Blood Drive

Together with the Philippine Red Cross-National Blood Services, the Sun Life Foundation annually conducts a series of blood donation drives to support safe and reliable blood services, and to help our fellow Filipinos in need. This also raises awareness that blood donation can help improve the health of the donor and can help save the lives of others. There were 294 volunteers from the Sun Life Foundation in 2023, and 204 blood units were collected.

- Volunteers' Fair and Appreciation Lunch

Sun Life The Foundation's Volunteers' Fair is an annual event different where partner organizations share brighter ways Sun Lifers can extend help by participating in fundraising activities or community involvement events for the chosen beneficiaries. At the height of the pandemic, the event conducted virtually consideration of the health and safety of the organizations and volunteers. For 2023. the Volunteers' Fair was back on-site, where partner organizations and communities set up their respective booths to share information materials, sell merchandise, and raise awareness for their advocacy. There were 71 attendees who participated in the fair. On Day 1, an appreciation lunch was hosted for 35 most active volunteers. Dr. Roberto Guevara also conducted presentation to help spur the volunteers on. On Day 2, some partners shared their projects with Sun Life Foundation through short

sessions. In the middle of the day, the Master of Disaster Board Game, a fun tool that educates on proper disaster preparedness and response, was conducted by ASSIST to serve as an energizer.

- Teachers with Light

In partnership with the Solar Village Foundation, the Teachers with Light program aims to distribute solar lanterns to public school teachers in last-mile schools. These lanterns will allow teachers to have safe, quality light for early morning or night-time treks and travel. In 2023, the Sun Life Foundation gathered 17 volunteers from General Santos and South Cotabato to help distribute solar lanterns to 66 teachers, indirectly benefiting 660 students in last-mile schools.

Kindly see the above activities and programs in the Sun Life website.
